# PEELING MACHINE FOR DRIED FRUITS

[www.seguessl.com](http://www.seguessl.com)

MAQUINARIA AGRICOLA SEGUÉS at the farmer's side since 1978.

Peelers for nuts, from almonds to pistachios through walnuts.  
Different models with different characteristics to adapt to all productions.

SRN-100/900

SR-400/900

5000/10 SRME

KEY STRENGTHS:

- Different models to adapt to the productions of each exploitation.
- Multiple types of drive for the same model.
- Peeling system with rollers or endless grill depending the models.
- In the models for pistachios and with a shaft we can peel almonds.
- Models for hard shell, semi-hard shell and adding a variator of we would often make the soft shell ones.
- All models are easily mounted with rubber stars interchangeable on the shaft.
- You can carry out semi-installations.

Roller peeling system

Endless grill peeling system

TECHNICAL CHARACTERISTICS

| MODEL        | PRODUCT   | PRODUCTION KG/H | PEELING SYSTEM   | VELOCITY R.P.M. | DRIVE                                | REMARK                                            |
|--------------|-----------|-----------------|------------------|-----------------|--------------------------------------|---------------------------------------------------|
| 5000/2 SMRE  | Almond    | 300-400         | 10 Spiral roller | 300             | Electric or gasoline motor           |                                                   |
| 5000/5 SMRE  | Almond    | 400-500         | 10 Spiral roller | 300             | Electric or gasoline motor or cardan |                                                   |
| 5000/7 SRME  | Almond    | 500-600         | 10 Spiral roller | 300             | Electric or gasoline motor or cardan |                                                   |
| 5000/10 SRME | Almond    | 1.500-2.000     | 20 Spiral roller | 250-300         | Electric motor or cardan             |                                                   |
| SR-100/900   | Almond    | 700-800         | Endless grill    | 1.000           | Electric motor or cardan             | A bagger                                          |
| SR-200/900   | Almond    | 1.000-1.500     | Endless grill    | 1.000           | Electric motor or cardan             | One or two baggers                                |
| SR-400/900   | Almond    | 2.000-2.500     | Endless grill    | 1.000           | Electric motor or cardan             | Double body                                       |
| SRN-100/900  | Walnuts   | 600             | Spiral roller    | 1.000           | Electric motor or cardan             | One or two baggers with pipes, and stopcock       |
| SRP-100/900  | Pistachio | 700-800         | Endless grill    | 1.000           | Electric motor or cardan             | AWith pipes, stopcock and the kind of white stars |
| SRP-200/900  | Pistachio | 1.000-1.500     | Endless grill    | 1.000           | Electric motor or cardan             | With pipes, stopcock and the kind of white stars  |

Type of stars
